Dear exhibitors,

Here you can see the rules of drawing up the application for stand construction.

1. Please specify the color of the carpet.

2. Specify your company name and color of the letters.

3. Underline the furniture included in the cost of standard construction.

In the application:

1. Scale: 1 square equals to 1 sq m.

2. In this field please draw a plan of your stand according to the selected scale.

Specify the utility room if necessary.

Please specify all the furniture, lamps and sockets (as well as other elements that are ordered additionally).

3. If you need taping of stand elements, please specify in the application form where it is planned, and the Oracal number. We use Oracal 641. This information should be copied in a covering letter.

Additional equipment:

1. In this field you should specify the items that you plan to order additionally.

You can find the information on our website at www.expoconsta.com/en or

http://www.expoconsta.com/en/stands/additional-equipment/.

 If you order additional equipment, attach your company name and address.

Contact information:

Please, enter contact phone numbers with area codes, mobile phones and email address.

Attention! If you do not provide the filled in form for stand construction, your space will be built up according to the shell scheme stand examples.

In a letter please write: PRODEXPO-2020. Your company name.

APPLICATIONS FOR STAND CONSTRUCTION AND ACCESSORIES ARE ACCEPTED TILL DECEMBER 31.

Form is obligatory to be filled in
