Beijing Trade International Exhibition Co., Ltd established in 2009, is a specialized company which is engaged in the global international exhibitions. The main task of the company is to build bridges between the domestic enterprises and the markets abroad, to provide Chinese products with a wide international trade platform and to provide the domestic enterprises exhibiting overseas with comprehensive professional services.

For the past 10 years, the company business and services have covered more than 11 Provinces and has already organized and helped Chinese companies to exhibit in international exhibitions and conferences for Food Industry, Consumer Goods, Solar Industry, Automechanika Industry, Apicultural Industry, Textile Industry, Medical Industry, Construction Industry and other professional industries. Most of these exhibitions are held in Germany, France, United States, Russia, UK, Canada, Australia, Japan, Middle East, Thailand, Vietnam and Africa.

By organizing these professional international exhibitions, the company has contributed to increasing the share of Chinese products in international market and promoting the Chinese corporate brand in the world market. By doing this, Beijing Trade has become one of the most famous exhibition companies in China and has been the partner of CCPIT (China Council for the promotion of International trade), China Ministry of Commerce and provincial government of China. Our cooperation with government authorities prove helpful for both sides as we continued to bring Chinese delegates to attend international Fairs and conferences every year.

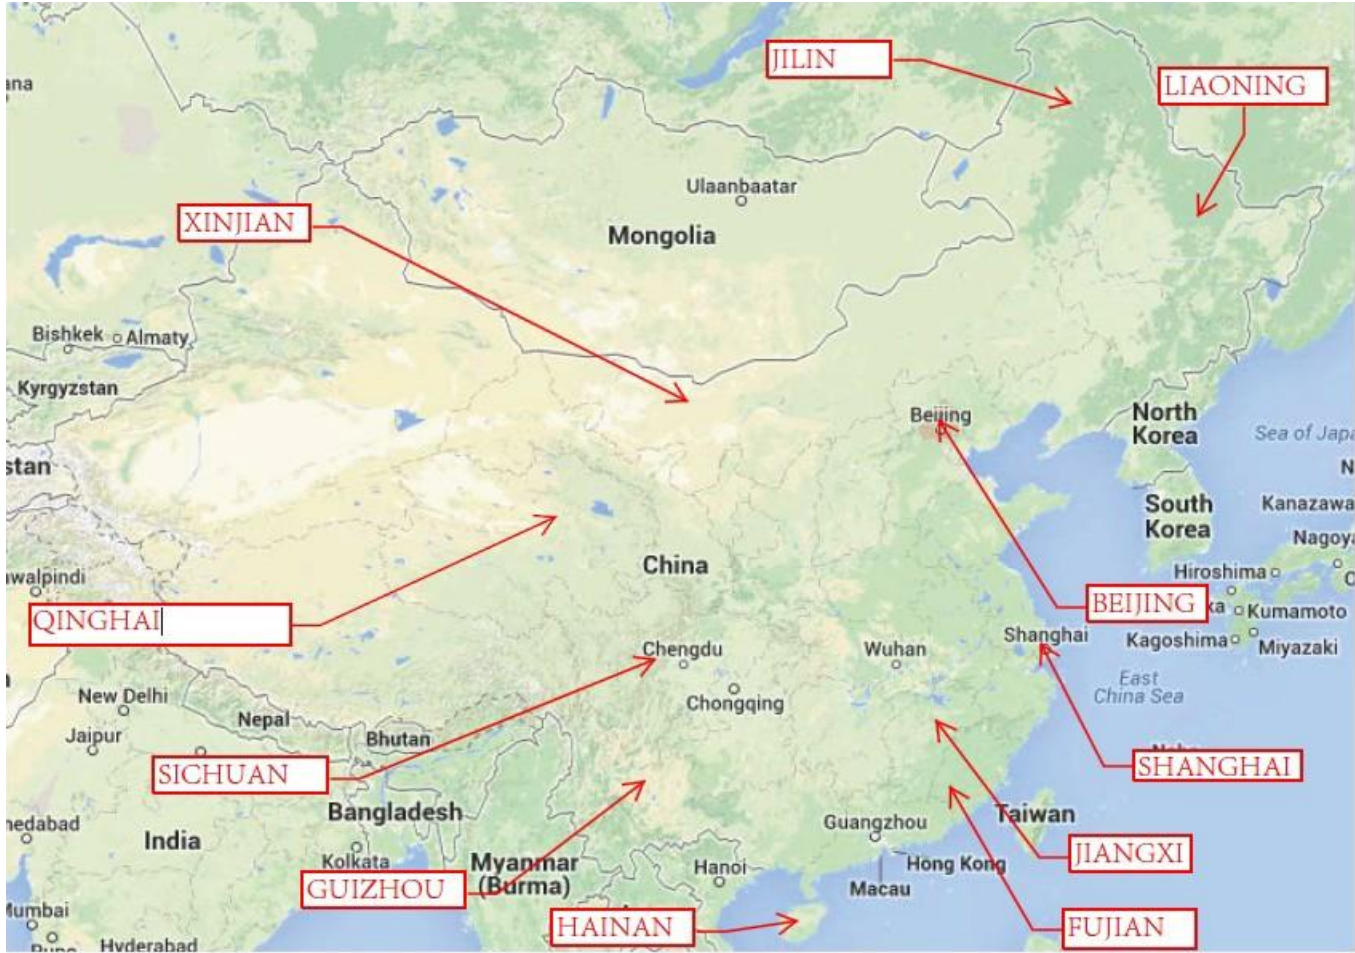

We strongly support the development of overseas exhibitions and our competitiveness can be analyzed as below:

- Cooperating with our Chinese local authorities to expand our business area
- Taking Chinese industrial enterprises to attend professional trading shows;
- Running the conference in China and organize the oversea exhibitors to China
- Building more relationships and network with oversea societies and organizers;
- Building more social media relationship with Local authorities
- Looking for more clients in Food Industry

Several Advantages of Beijing Trade International Exhibitions Company

- Stand Sales for large amount spaces
- Solving the language and Communication problem to Chinese exhibitors on time
- Applying as a group that is easy to manage exhibitors
- Connecting to Chinese social media to advertise Large-scale exhibitions
- Group Stand Constructions
- Group Visa Services for our clients
- On-site Exhibition management and problem solving

Our company has 6 branches in different Chinese cities. So far we have established long term and strong cooperation with more than 11 provincial government. Through Belt and Road Initiative, Our company has been received support from Chinese Government include Government subsidy which helps our clients to have more opportunities to expand their businesses globally.

Award prized by Asia Apiculture Association in Saudi Arabia 2016
